35km Ranking and Record Lists

Last Updated: Tim Erickson, 28/08/2025

Once 35km became the official long distance walk, this new category was added to my ranking lists. Alas, it only had a short time as the long distance international standard, being replaced by the Marathon Walk as of 1st October 2025.

I may not have captured all performances as yet so I welcome additional verifiable 35km times for our female walkers.
